An EEO/Affirmative Action employer, UW-Extension provides equal opportunities in employment and programming including Title IX and ADA requirements. Requests for reasonable accommodation for disabilities or limitations should be made prior to the date of the program or activity for which it is needed. Please make such requests as early as possible by contacting Lori Berget at the Lafayette County UW-Extension Office (608) 776-4820 so proper arrangements can be made.

¹ The individual applying must participate in the service projects to fulfill this portion of the requirement. The individual applying is highly preferred to be the individual to participate in the fundraising opportunity to fulfill this requirement. However, if a conflict were to arise the entire week of the fair preventing the member from participating in a fundraiser opportunity, the youth must get pre-approval from the 4-H Advisor for a different qualifying event or activity to fulfill the requirement. This exception only applies to the fundraiser requirement; this does not apply to the service requirement.

² Youth must obtain pre-approval from the county 4-H Advisor & Lafayette County Leaders' Association to count an activity as a County 4-H service project, if not listed on this pre-approved list.
