NATIONAL 4-H CONFERENCE

An opportunity for you as a 4-H member to increase your knowledge, resources, and skills to empower yourself to make an impact on your community in a meaningful and genuine way.

As the premier 4-H civic engagement national opportunity for youth, National 4-H Conference provides young 4-H adults the chance to increase their professional and leadership development by focusing on civic engagement, civic education, and personal development. The Conference will provide participants a broad-based learning experience in which they will acquire practical knowledge and skills to reinforce the attitudes and motivation that will give them a heightened sense of responsibility and capacity to connect as active members of their communities, nation and world. Participants will practice, apply and master existing and newly developed skills and knowledge through hands-on educational activities and real world problems as they develop leadership skills using their voices, work, ideas and/or behavior to make a difference in their community, country and world.
