

Mental Health First Aid

Training for agricultural professionals and service providers

Just as CPR teaches you how to help someone having a heart attack, Mental Health First Aid teaches you how to help someone experiencing a mental health or substance use challenge. This skills-based course helps you identify, understand, and respond in crisis and non-crisis situations.

COST:

No charge (estimated value \$100)

QUESTIONS:

joy.kirkpatrick@wisc.edu or 608-263-3485

Instructors: Joy Kirkpatrick & Danielle Sander, UW-Madison Extension educators

Training requires participants to use webcam and microphone during the virtual live training days.

UPCOMING TRAININGS:

Tues/Thurs, June 17 & 19, 2025

9:00 am – noon (must attend both days).

Participants must complete a 2-hour online self-paced course prior to the 6-hour instructor-led training via Zoom.

REGISTER AT:
